

ReportDashboard

Stay connected to your critical business data, anytime anywhere with the **SurroundLab™ AR Report Dashboard**.

This full color web access point provides all the reports you need to stay abreast of your laboratory financial health.

Enjoy a 360° view of your data, while in the office or on the road. Additional tools such as graphing and data downloads enhance your ability to gather the information you need to run your business.

With over 50 standard reports, plus our exclusive Executive Dashboard, data transparency is at your fingertips!
