

# LabConnect

Create a single interaction point for your Clients with LabConnect.

More than just lab reports, LabConnect is a tool to deliver any number of document types, to a single web page. The possibilities are unlimited, and are cross functional, meaning both Lab and AR type information can be made available in a single, easy to use web site

Enhance your Client's experience, and save money on faxing and mailing fees. Using LabConnect, you can provide secure web based access to documents such as:

- ❖ Patient Lab Reports
- ❖ Client Invoices
- ❖ Missing Information Requests
- ❖ Epidemiology Reports
- ❖ Critical Results Reports
- ❖ Standing Order Reports
- ❖ Scanned images of Requisitions
- ❖ Test Dictionary
